Volunteer Application 2025

Welcome! and thank you for your interest in volunteering for the **Silicon Valley Open presented by Oracle NetSuite, the West Coast's PSA World Tour squash event!**

Celebrating its 15th year in the Bay Area, this tournament showcases the best players in the world as one of the PSA World Tour's select Gold-level events for both professional men and women. It's going to be great fun and amazing squash!

We need **volunteer ushers** for each session of the championships, from Saturday, October 11, 2025, to Wednesday, October 15, 2025. Mandatory training/orientation sessions will take place before the start of play. The full schedule appears at the bottom of this application.

It would be most helpful for us if you can volunteer for **multiple sessions**.

If you'd like to volunteer for the final, semifinal, and quarterfinal matches, we will give preference to those who can also work at least two early round sessions.

Volunteers who work at least 4 sessions may have a chance to hit on the glass on Wednesday afternoon before the Finals, schedule and space permitting.

Ushers stand in various locations within the court/stadium area, so you will usually be able to view the matches; however, your top priority is to attend to your ushering responsibilities.

Primary responsibilities include:

- Scanning tickets and securing wrist bands
- Distributing programs
- Helping spectators get to their seats quickly
- Ensuring that spectators do not disturb a match in progress
- Assisting with arena clean-up after a session
- Notifying Arena Manager of any problems that arise
